SUMMARY

Highly motivated and passionate crew member with over 300 hours of experience on set in many positions. These positions include acting, modeling, production assistant, camera assistant, 2nd camera assistant, boom operator, script supervisor, and have directed my own short film. I provide a fun but hard working ability to the sets I am working on. I am proficient in urgency, leadership, confidence, teamwork, flexibility and management. As a multi sport high school athlete I have learned the importance of each role in a team and that it takes everyone to make achievements.
